Thank you for donating your used phone.

Shipping Instructions:

- Attach this prepaid shipping label to any padded envelope or sturdy box (appropriately sized for your donation). Be sure to pack your item(s) properly using newspaper to pad the item(s). *Remember - Hope Phones receives a donation based on the model and condition of each phone. Packing your phone(s) properly helps to ensure the highest donation possible is given to Hope Phones.*
- Place the envelope/box in your mailbox or take it to any USPS location.

What Happens Next?

- Once your donation is received, Dallas Phones (Hope Phones' processing partner) will clear your personal information from the phone(s) if you have not already done so, a donation will be made for your phone(s) to HopePhones and your phone(s) will be recycled responsibly in accordance with ISO, R2 and BAN regulations as well as all Federal, State and Local EPA guidelines.
